

## Directions...

### By Road from the M25

Exit at Junction 10 (Exit to A3) and head south. As you go up the slip road to get on to the A3 take the turning left sign posted Effingham. Continue along this road until you come across a staggered Cross Roads, turn right and then left in to Effingham Common Road going over the railway bridge with Effingham Railway station on your right. Continue until you get to two mini roundabouts and turn left at the second mini roundabout in to Lower Road. Continue to next mini roundabout and turn left in to Little Bookham Street and follow this road for approximately half a mile which turns in to Church Road. Take the right turning opposite Great Bookham Train Station which is the entrance to the Industrial Park. Drive up to the end and you will see us directly in front.

Park in front of the main entrance.

### By Rail

Trains depart regularly from London Waterloo, Effingham station is approximately 2 miles from our offices and we will be more than happy to collect you.

Great Bookham station is directly opposite our Industrial park, but is a slower train service
